

## Graduation ceremony of the second batch of professional diploma in partnership with Pioneer Training Center

The Community Service and Continuing Education Center at Qatar University, in partnership with Pioneer Training Center, celebrated the graduation of the second batch of professional diploma graduates who completed the requirements of the professional diploma. The total number of graduates of this batch was 228 male and female graduates. The ceremony was held at Qatar University and was attended by Dr. Rajab Al-Ismael, Director of the Community Service and Continuing Education Center at Qatar University, Ms. Noor Mohammed Al-Mansoori, CEO of Pioneer Group, representatives of the Ministry of Education and Higher Education, officials in the private sector and parents of students.

The ceremony included a film about the students' learning journey in professional diplomas and their discussion of graduation projects and qualifying them with the necessary skills to start their professional careers.

In his speech, Dr. Rajab Al-Ismael, said: "Professional diplomas have become educational and plays a pivotal role in developing the practical and professional skills of individuals and meeting the needs of the changing labor market." He also stressed that graduates of

professional diplomas have higher employment opportunities because they possess specific skills that are required in the labor market, as the professional diploma certificate is considered a strong addition to the CV, especially in technical and creative fields.

Ms. Noor Mohammed Al-Mansoori also extended her congratulations to the graduates for their achievements and success, which was the result of their determination and hard work . She also stressed the keenness of Pioneer Training Center to provide an integrated educational experience, under the supervision of internationally accredited trainers with extensive practical experience, in addition to offering more professional diplomas that meet the needs and requirements of the labor market.

The trainers in charge of the professional diplomas were honored and certificates were handed over to the students of the professional diplomas in six different specializations, which were: "Leadership and Business Administration, Human Resources Management, Networks and Cyber Security, Graphic Design and Social Media Management, Interior Design, and Animation".

Al Noor Center for the Blind and Qatar University signed an agreement to enhance and empower the visually impaired
